

We preparing a new order for AHC apparel.

All of our new Apparel will have our new logo patch sewn on the front, instead of the old screen print method, and the embroidery. This will be more durable, and will be spiffier looking.

2.8" Diameter

(See Jack to see this new logo in color)

The T-shirts and Hoodies will also have lettering on the back (circular pattern), in yellow (You've seen our Club members wearing these on the trails since our apparel orders last Spring:
